

**HYPERFORM, INC. OEM LIMITED WARRANTY
FOR SEADEK PRODUCTS**

Thank you for your purchase of a Hyperform, Inc. product. This Limited Warranty (the "Warranty") is made by HYPERFORM INC. ("Hyperform"), a Florida corporation, in connection with the Buyer's purchase of a Hyperform product, as more fully defined in that certain purchase order of even date herewith ("the Covered Product"). This Warranty constitutes the entire agreement between Hyperform and the Buyer as to any warranty provided by Hyperform to the Buyer on the Covered Product.

I. ACKNOWLEDGEMENTS OF BUYER. By purchasing a Hyperform product, Buyer accepts this Warranty and acknowledges the following:

- A. That Buyer has read and understands and agrees to the terms and limitations of this Warranty.
- B. That Buyer has been provided with sufficient opportunity to consult with independent legal counsel regarding this Warranty and the limitations hereof, and that Buyer has not relied upon any statements or representations of Hyperform for Buyer's understanding or interpretation of any provision hereof.

WHAT THIS LIMITED WARRANTY COVERS. Hyperform warrants to the Buyer ("Buyer", for purposes of this Warranty, means only first purchaser of the Covered Product and does not extend to subsequent purchasers) that the Covered Products are free from defects in workmanship and materials for a period of twelve (12) months from the production date of the boat where the Covered Product is installed. Hyperform shall, in addition, provide a reduced prorated warranty as indicated in paragraph III below for an additional period not to exceed thirty-six (36) months. The limited warranty provided hereunder is subject to the strict precondition provided that the Covered Products are used and maintained in accordance with all Hyperform specifications for preparation, installation, storage, as set forth in two documents, Storing SeaDek Instructions (TAB 4-21) and Applying SeaDek Instructions (TAB 4-20), relevant to the Covered Product, which may be found posted at seadek.com. Improper installation and/or repair voids this Warranty in its entirety, without exception.

II. WHAT THIS LIMITED WARRANTY DOES NOT COVER: EXCLUSIONS. This limited warranty does not cover the installation of the Product onto any surface, nor does it cover adhesion of the Product to the boat or to any other surface to which the Covered Products are applied. This warranty applies only to material and workmanship of the Covered Product itself. Some fading and/or discoloration of the Covered Products may occur with time and use in the marine environment; such fading and/or discoloration is not covered by this limited warranty. This limited warranty covers only excessive fading or polymer degradation resulting from defective materials. This warranty specifically EXCLUDES deformation, discoloration or other damage to the Covered Product, and EXCLUDES all other damage or loss, resulting from the Covered Product's being subjected to temperatures in excess of 165°F ("Max Temp"). See Light Amplification (TAB 4-26). Max Temp may occur for example in certain specific installations which result in light amplification at the Covered Product surface due to reflection of sunlight from reflective surfaces or refraction of sunlight through light-transmissive surfaces such as windshields or optically clear structures. Care should be taken to avoid installing the Covered Product in such areas. For OEM applications, it is exclusively the OEM's responsibility to perform product testing, if required, to provide assurance that any particular installation will not exceed the Max Temp. Hyperform, Inc. shall not be responsible for any damage or loss resulting from any application or use of the Covered Product which exceeds the Max Temp. Installations resulting in the Covered Product's experiencing temperatures in excess of the Max Temp shall void this Warranty in its entirety.
