

DRAWING APPROVAL CHECKLIST

If you would like to move forward with production of your pads, please check all applicable boxes and sign and date below. When completed, return to you representative. **BY SIGNING THIS DOCUMENT, YOU ACCEPT ALL RESPONSIBILITY FOR ANY DRAWING RELATED DISCREPENCIES.**

If you are having trouble verifying the dimensions of your pad, please respond via email 'Dry Fit' and a clear vinyl pattern will be created for you to check the fit physically on your boat. Shipping charges may apply.

VERBAL APPROVALS WILL NOT BE ACCEPTED. THIS FORM IS REQUIRED TO PROCEED WITH THE PRODUCTION OF YOUR ORDER.

Please keep in mind that these pads are made specifically for your order and **CANNOT BE RETURNED.** If you have any questions, please contact us at 321.632.4466.

Once we have confirmed your approval, your order will be placed into production and no additional changes can be made.

Please verify and check below for accuracy.

- The listed dimensions on the supplied PDF match the desired application.
- The correct texture is listed on the supplied PDF.
- The correct color(s) are listed on the supplied PDF.
- The correct thickness is listed on the supplier PDF.
- The Dry Fit has been verified for fitment, part to part alignment, and teak alignment.
- The teak lines and grain direction are aligned in the desired direction. (if applicable)
- The placement, orientation, and spelling are correct on the supplied PDF. (if applicable)

If you are a SeaDek Dealer, please attach this form with a copy of your Purchase Order (PO). If changes are requested, an updated Purchase Order (PO) is needed for confirmation.
